STEP 1: SUBMISSION OF RECALL LANGUAGE

Petition language is submitted to the County Clerk in the county **where the officer resides** before the recall petition may be circulated.

Petition sponsor must be registered to vote in the electoral district represented by the officer.

Petition language (reasons for recall) must be submitted on approved recall petition form (**city/township form**). This form is used for all recall candidates, including school board members (the heading must identify the office of school board member).

Each reason for recall must be factual and clear and must be based on the officer's conduct during his/her current term of office.
